Clothing

'There is no such thing as bad weather... just inappropriate clothing!'

At Hanslope Pre-school we want to ensure our children are fully prepared for all learning environments. Part of being prepared is making sure your child attends Pre-school with the correct clothing.

We provide protective clothing for the children for really messy activities but it is advisable to dress your child in older clothes since they may still get dirty. Please provide spare clothes in your child's daily bag in case a change of clothing is required, and ensure all coats, hats, shoes and clothing are clearly named. If your child is still in nappies, please ensure there are spare nappies and wipes in their bag. We **do not** have spare items of clothing at Pre-school, if in the event your child is sent without spare clothing and it is required, we shall call you to bring them as soon as possible.

Pre-school encourages children to gain the skills which help them to be independent and look after themselves. These include taking themselves to the toilet, washing their hands, and taking off and putting on outdoor clothes. Clothing which is easy for them to manage will help them to do this.

We do go outside every day, whatever the weather! In summer, please make sure your child has a sunhat and adequate sun protection at all times, as we make the most of our outside play area. Likewise, during cold and wet weather please ensure your child has a warm waterproof coat and a pair of wellies at Pre-school - all clearly named please. Wellies can be left at Pre-school during term-time; drawstring bags are ideal for hanging them on our trolley.

Please ensure all items of clothing and belongings are clearly labelled with your child's name! You can order from www.mynametags.com & they will donate to the Pre-school when you use our Pre-school ID: 44380

If your child stays with us for lunch club could you please provide their lunch in a lunch box we can easily wipe upon arrival to Pre-school (ideally made from a plastic material).
